## **U.S. Employee Benefits Services Group Designated as Strategic Partner by NYSASBO**

**Iselin, NJ, June 1, 2015** – U.S. Employee Benefits Services Group (USEBSG), a division of U.S. Retirement Partners, announced today that it has been named as a Strategic Partner by the New York State Association of School Business Officials (NYSASBO).

USEBSG, through its Rochester and Long Island, New York locations, provides employee benefits administration and Affordable Care Act compliance and reporting services to school districts and BOCES throughout New York State. They earned the Strategic Partner designation as a result of their expertise in healthcare reform and array of comprehensive services they provide. This partnership, effective June 1, 2015, allows USEBSG to provide ACA Employee Reporting Services to Association members at a special rate.

Efforts to gain the Strategic Partner designation were led by Eric Gilbert, USEBSG Managing Director, who stated, "We understand the challenges that school districts face in complying with some of the requirements of the Affordable Care Act legislation, and are confident in our abilities to deliver consulting services that address the reporting and compliance measures that are required; our services mitigate any exposure to risk to ensure best practice solutions. We appreciate this partnership and look forward to being of service within the NYSASBO organization."

"NYSASBO is pleased to partner with U.S. Employee Benefits Services Group to offer our members a quality service at a special rate.
