Iselin, NJ, April 7, 2016 – U.S. Retirement Partners announces the acquisition of BW Employee Benefits, LLC (BWEB) of Dayton, OH. BWEB joins USRP’s U.S. Employee Benefits Services Group division (USEBSG), expanding their national presence in Ohio and Indiana.

BW Employee Benefits serves over 200 clients in the corporate market with a wide range of services including Benefits, HR, and ACA consulting; health insurance; voluntary benefits; and insurance brokerage services. Under the leadership of President and CEO, Paul Tambe, BWEB has created an industry-leading Multi-Employer Welfare Arrangement (MEWA) to establish a group-buying consortium for primary health insurance. The program, scheduled to launch in Q3 2016, is expected to be expanded to include other employee benefits.

“We are excited about joining U.S. Employee Benefits Services Group. This partnership gives us the support and strength of a national firm to help us grow our market and portfolio of services,” said Paul Tambe.

“The addition of BWEB to the USEBSG family brings with it entrance into a new geographic marketplace, but also the opportunity to further deploy our service model,” said Chuck Andolina, Senior Vice President of U.S. Employee Benefits Services Group.
