

Marc Tomlinson

Managing Partner

BenefitVision | Chimienti & Associates

Marc Tomlinson joined BenefitVision, a U.S. Employee Benefits Services Group partner firm, in January 2023 as a Managing Director. He assumed the role of Managing Partner of both BenefitVision and USEBSG Partner Firm, Chimienti & Associates, in February 2024. He is responsible for driving sales and growth and developing new relationships by expanding their broker and consultant network.

Marc has over 30 years of experience in the insurance industry working for Allstate, ING, and most recently with Lincoln Financial, driving employee paid sales with new and existing customers. He worked closely with brokers and consultants to provide a balanced product offering with solid enrollment and education results.

Marc graduated from California Lutheran College with a degree in Business Administration. Marc and his wife reside in Thousand Oaks, California.
