

Murat Tokat

Sales Director

U.S. Enrollment Services

Murat Tokat has been working in the Insurance and PEO industry since 2002. He joined U.S. Enrollment Services, a U.S. Retirement & Benefits Partners company, as a PEO Sales Director in December 2024. He is responsible for identifying Brokers, Carriers, Benefits Administration providers, HRIS platforms, and other technology organizations that can help U.S. Enrollment Services achieve exponential growth in core and voluntary benefits.

Murat focuses on building and strengthening executive-level relationships and developing national partnership sales strategies to achieve mutually beneficial revenue growth. He collaborates with internal and external stakeholders to create, implement, and communicate strategic initiatives that drive success across the organization.
