OMNI successfully handles numerous IRS audits for clients on a regular basis.

Protection

With increasing and ever-changing IRS regulations, keen oversight is crucial. A failure to understand regulation and handle compliance issues properly could prove costly. In addition to providing input on any concerns you may have, OMNI maintains real-time awareness of the regulatory environment, helping to ensure that your plan is kept up to date and compliant. OMNI provides in-house legal counsel free of charge.

Our client services agreement and the investment provider information sharing agreement (ISA) provide client indemnification, which includes errors and omissions insurance that protects an employer in the amount of \$5,000,000, a crime policy in the amount of \$10,000,000, and a cyber security policy in the amount of \$2,000,000.

Service and Support

OMNI utilizes integrated support teams to develop, protect and manage your plan. Our services include: Plan document creation and customization, transaction processing, compliance monitoring, in-house call-center, online forms submission and dedicated compliance and remittance specialists assigned specifically to your account. OMNI will also take the lead in the event of an IRS audit.

Education

Our Financial Wellness Center serves as an educational resource providing a variety of tools to assist in learning more about retirement savings and managing personal finances. Calculators, videos, and informative content are available to help guide the retirement planning process.

OMNIP3 Preferred Provider Program

A multi-provider platform - enhancing the relationship between employers and their 403(b) providers.

OMNI's Preferred Provider Program (P3™) presents the **opportunity to eliminate your fees for 403(b) plan** administration, as the investment providers who have qualified for P3 status have agreed to assume the costs of plan administration on your behalf.

In addition to the financial benefit, P3 makes available investment providers who have been independently vetted by a committee of your industry peers.

The committee evaluates a myriad of criteria some of which includes errors and omissions insurance, indemnification policies, pending litigation and customer service design. As a result, P3 can help bolster the already significant protections provided in OMNI's Information Sharing Agreement (ISA), which indemnifies plan sponsors against potential lapses in compliance by participating investment providers.

An aggregator or platform company is a provider that offers the investment vehicles of other providers.

Please note that investment providers not found on the list of P3 providers usually can be accessed through one or more "aggregators".

An aggregator typically offers both loans and financial hardship distributions whereas certain popular providers may not. In short, although P3 limits new accounts to your selected P3 investment providers, the fact is that almost all providers remain accessible.
